EMERGENCY RULE ONLY

Under RCW 34.05.350 the agency for good cause finds:

- ☒ That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
☐ That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: A phone number correction and a clarification of procedures is immediately necessary to allow state agencies to effectively use the Washington state patrol for the acceptance of the filing of orders after business hours of the office of the code reviser.
